SCOTT DOWNES HAS BEEN WRITING AND PLAYING songs for 20 years. An Alabama native, Scott was reared on a mix of delta blues, English and Irish folk ballads, funk, soul, country, and rock-n-roll. Drawing on this unusual blend of musical influences, Scott has created a lyrical style all his own. He now resides in Atlanta with wife, Dawn, and two sons, Brendan and Beckett. You can catch him live at venues in Atlanta, and throughout the southeast and east coast ... and this Saturday, right in my own back yard! www.scottdownes.com
